

Dear Parents,

We are in the process of setting up a Remind101 account. This will allow the Administrative Staff at FMS to text and/or email you with important information going on at school, upcoming events, or even important information in the event of a mass emergency at the school. This email/text database is **COMPLETELY confidential**. You will not be able to see our phone numbers and other parents will not be able to see your numbers (or emails!) We will not share your phone or email information with anyone outside of the FMS school setting. The contact information you provide us with will only be shared with FMS staff and only those persons having a legitimate, documented Freeport Middle School educational need to know your information!

There are several ways to sign up for the FMS Remind 101 account.

1. **Download the Remind app on your phone (Android or Apple). Once the app downloads, enter code @freeportm**
2. **Send the text message @freeportm to phone number 850-502-2962**
3. **Visit www.remind.com/join/freeportm and follow the instructions**
4. **If you had rather the administrative staff add you to the Remind 101 group, please fill out the following information and have your child return this form to Mrs. Dickey in the main office or their teacher NO LATER THAN Wednesday, August 27, 2014.**

Child's Name: _____ Child's Grade: _____

Parent Name: _____ Parent Cell Number: _____

Parent Email Address: _____

We are excited about Remond101 as this is going to be a great way for us to have open communication about important information as well as your child's education! We look forward to hearing from you soon!!
