SUBJECT: FMS Parent School Climate Survey 2018

Dear Parents/Guardians,

Freeport Middle School would like to invite all parents and guardians to take the **2018 Parent School Climate Survey**. There are two ways to complete the survey: by printed form or online.

1. Attached is a printed copy of the survey. There are **two** parts to the survey: the yellow bubble-in **Survey Answer Sheet** with the **Open-Ended Questions** on the back and the Parent Survey. Please return the yellow *Survey Answer Sheet* with both sides complete, the *Parent Survey*, and the completed *form below*. All bubbles must be filled in with a #2 pencil or blue or black ink. Please do not write your name on the survey or answer sheet, as surveys are anonymous; only include your name on the form below.
2. Alternately, the survey may be completed on-line by accessing it at the following link: <http://www.advanc-ed.org/survey/public/5239215h> *(Please be sure to print the screen at the end of the survey that says you have completed the survey and submit it with the form below.)*

Each of your children attending FMS will earn ten extra credit points in the class of his/her choice when a copy of the attached form below and either a completed copy of the survey (questions and answers) **OR** a confirmation page from the online survey are turned in to an FMS teacher.

Due date to receive credit for this 9 weeks is Friday, March 9, 2018.
