Brian Michie
Assistant Principal

January 27, 2022

Dear Parent/Guardian:

Today we met with the 8th grade students to discuss the exciting opportunities available next year at Freeport High School. We reviewed graduation requirements, dual enrollment at Northwest Florida State College and Emerald Coast Technical College, the AP Capstone program, certification courses, Bright Futures and more.

The registration presentation may be viewed on our school's website, under the Guidance tab, along with other presentations and information about dual enrollment and Bright Futures.

<https://fhs.walton.k12.fl.us/registration>

Please complete the following next steps:

- 1) Review the *Welcome to Freeport High School – Class of 2026* packet and/or the registration presentation online.
- 2) Review your child's course recommendations and their elective options with them. Have them select 3-4 electives, then sign the form.
- 3) Sign up for the Guidance Remind101 texts located in the *Welcome* packet. This is our main form of communication and we encourage both parent and student to sign-up. We will send information about registration and orientation dates through Remind first.
- 4) If you would like to meet with an advisor, registration appointments will be available on **Wednesday, February 9th**. To sign-up, please utilize the following Sign-Up Genius link That will also be sent out via Remind on Friday:
<https://www.signupgenius.com/go/904084FA9A62DA4FF2-9thgrade>
**Please note: It is not necessary to attend a meeting in order to register your child for their courses but it is highly recommended.*
- 5) If you do not attend a registration meeting, please have your child return their 9th Grade Course Selection Form into their history teacher (Mayer or Kring) by **Friday, February 11th**.

Freeport High School is a family. Our faculty and staff are here to make this transition from middle to high school as easy as possible and to help everyone succeed both academically and personally. Please do not hesitate to call us if you have questions.

Thank you.
Jessica Obert
Guidance Counselor
