

**Free & Reduced Meal Applications Online!**  
**Skip the paper application and Apply Online at:**  
**<https://secure.ezmealapp.com/>**

The WCSD Food and Nutrition Department is **accepting free and reduced meal applications online!** The online applications enable parents to complete and submit the applications faster, while allowing Food and Nutrition Services to approve the applications in a timelier manner.

**How?** The application can be accessed from any computer with internet capabilities at <https://secure.ezmealapp.com/>. You only need to complete one application per household.

**Why?** The online application is the same as the paper application WCSD provides. We bring this technology to our families to ensure that students receive meal benefits as quickly as possible. The online applications are secure and the application is confidential.

The WCSD Food and Nutrition Department have also partnered with Nutrislice, and EZ School Pay.com to create an interactive menu, and a secure website that provides an easy, and convenient way to pay for school meals. These new virtual options are perfect for health conscious parents and students looking to make healthy choices.
