

7th Grade Science With Mr. Cashman
At-Home Learning
Week of March 30th, 2020

Digital Learning:

1. Go to Study Island
2. Under “Mr. Cashman”, find “Unit 7 Practice and Unit 7 Practice Part 2”.
3. Take one day to read through the lesson.
4. Take one day to take the lesson quiz(zes). Although 70% is considering passing, use Friday to improve your score on those quizzes.

Paper-Based Resources:

If you are unable to access Study Island, paper-based resources will be available at Freeport Middle School or you can download the supplemental materials from the website.

The paper-based supplemental materials consist of two reading passages that you should recognize from “Text-Based Tuesday” and “WICOR Wednesday”. Please read the passages, answer the questions correctly, and write a one-paragraph summary like usual. For short answer questions, one to two sentences is appropriate. A summary should tell the reader what the article is about in your own words. You are allowed to use quotes from the text as long as you utilize proper citation rules. You will submit your paper-based work at a later date.
